**Dear Residents,**

**Please note that council will be asked to pass a resolution in support of the transfer.**

*We ask you to be at the meeting and there we will discuss the intended fund transfer. Our Borough Engineer will be presenting, council will open the meeting to public comments. There is a section of the resolution that is intended to document public comments, if any. After hearing from the public and noting any comments, council will vote on the resolution. Upon certification of the Resolution, our Borough Engineer will coordinate sending original sealed copies to CCIA.*
